Terms and Conditions:

1. Color and editing are done according to color calibrated LCD monitors at Faux Masters Studios. Display settings and your ambient lighting in your home/office may differ and can cause colors to appear differently.
2. In the event that customer color satisfaction is not attainable on a particular board, Faux Masters Studios will substitute photography & production on a different board at no cost.
3. Deposit of 50% due upon selection of package. The remaining balance is due after review of printed proofs AND prior to delivery of DVD package.

DO NOT send boards to Faux Masters Studio until you have been contacted by a representative to confirm scheduling.

*Resolution depends on sample size and aspect ratio.
